Dear Parents

We have just finished the 3rd term at the SC and are looking ahead to the last 2 months of the year. Since it is the last term of school we will be making every effort to have each student in grade 7-9 finish the year strongly. To that end we will be establishing a homework block every day after school for the grade 7 – 9 students. The block is for those students who, for one reason or another, do not complete their homework and/or long term assignments on time. Here is how the block will work:

1. The block will be available for students in grades 7 - 9.
2. The block will be available every Monday - Thursday from 3:10pm - 4:00pm.
3. Students will be informed that if they have incomplete work they will be asked to report to the Homework Block and work there either until 4:00 or when their work is complete, whichever comes first.
4. There will be a teacher supervisor available to help students in the homework block
5. If a student finishes their work before the homework block convenes, they may show the completed work to their subject teacher or HB supervisor where upon they will be released from their obligations to the HB for that day.

I am convinced that helping students finish strongly will be good for all concerned, it will heighten student sense of accomplishment, and deliver the message that completing work is important at VCS. I trust you will support the school as we initiate the HB. It begins, Wednesday, April 22nd. If you have any questions, or comments you would like to pass on, please feel free to email me at lsimpson@vcs.ca or phone me at school.

Larry Simpson
