

Vernon Christian Preschool Policies and Procedures

Updated Sept, 2022

Drop Off:

The teacher will open the preschool exterior door at the class start time. If you are late (or need to pick up your child early) please knock on our window or door.

School Parking [learn more about our Traffic Flow & Parking](#)

Pick Up Outside: Please be Prompt

Pick up will be at our preschool playground in good weather. **Parents and siblings can wait outside our playground and the teacher will dismiss the children at the end of class.** If the weather is cold/rainy the children may be dismissed from our classroom. If that is the case please wait between the school entrance and our door. It can be distracting if families are waiting in front of the classroom windows. If you are late picking up your child at the end of class there is a fee. Please call the elementary office if you will be late 545-7345.

What to do if your child is sick:

Please follow this guide when determining if your child should attend Preschool. [Quick Guide to Common Childhood Diseases](#) Staying home when sick is one of the most important ways to reduce the spread of all communicable diseases. **Please be diligent with this.** It is the parents responsibility to keep up to date with symptoms as well as check your child before attending preschool.

The management for COVID-19 in the community is now more aligned with the management of other respiratory infections. **If your child has symptoms, stay home.** To find out more information please visit the [When to get tested for COVID](#) resource or the [BC Self-Assessment Tool](#).

Our classroom has good indoor ventilation and a new HVAC system (summer 2021) that is not shared with any other classrooms.

Guidelines that are being followed: [Public Health Guidance for Child Care Settings](#)
