INTRODUCTION

Welcome to Vernon Christian School. We are an interdenominational school founded on evangelical Christian beliefs and focused on providing a wholesome Christian education for Preschool to Grade 12.

The purpose of this handbook is to acquaint parents and students with our vision, educational philosophy and principles of operation. It is our hope that it will answer some of your initial questions. For further information, please contact our school office (info@vcs.ca), and we will be happy to assist you.

BRIEF HISTORY OF VCS

In 1974 a group of Christian families in the Vernon area were led to act upon the vision given to them by God to establish a school that would provide a Preschool to Grade 12 Christian Education for their own and future children.

Believing God gives parents the responsibility for educating their children, these parents formed the Vernon Christian School Society. Its objective was to establish a Christian Day School in Vernon whose purpose would be to serve as an educational arm of the Christian home. The vision became reality in 1977 when Vernon Christian School first opened its doors at its present Elementary Campus location. Within ten years the school had grown to a student population of 116 students. In 1989 a Kindergarten program was established at VCS. As the student population grew, so did the need for expansion of school facilities. The 1994/1995 school year was celebrated with the opening of a new gymnasium, and in September 1997 the concept of a Middle High School was introduced for Grades 7, 8 and 9. The opening of the Secondary Campus in 2004 completed the vision that started so many years ago!

AFFILIATION

Vernon Christian School is associated with the Society of Christian Schools in B.C. Our representation to government and society is through the Federation of Independent School Associations.

EDUCATIONAL PHILOSOPHY

The educational philosophy of Vernon Christian School is based on a God-centered view of man and truth as presented in the Bible. Since God created and sustains all things through His Son, Jesus Christ, the universe and all life are dynamically related to God and have the purpose of glorifying Him. This is pointedly true of man who was made in God's image, different in kind from all other creatures, with the unique capacity to know and respond to God personally and voluntarily. Because man is a sinner by nature and choice, he cannot,

in this condition, know or honor God in his life. He can do this only by being born again to do God's will.

The authority for education comes both from God's command that children be taught to love God and place Him first in their lives, and from the fact that parents are responsible for the total education and training of their children. At the parents' request, the Christian School, along with the Church, becomes a partner in this education.

From this philosophy stem the following principles:

The Bible

That God by His Holy Word reveals Himself and also renews man's understanding of God, of man himself, of his fellow man and of the world; directs man in those relationships including directing parents in the education of their children.

Creation

That God created the world, and that in their education children must learn that the world, its development and history, can be understood only through its relationship to the Triune God who by His providence upholds all things.

Life

That life in its entirety is service to God. We either obey or disobey Him. Education too, must be carried out in obedience to God.

Sin

That sin alienates us from God, our fellow man, our world, the meaning and purpose of life and the wisdom God gives us to educate our children.

Jesus Christ

That Jesus Christ our Savior and Lord, by renewing our hearts through the power of His Spirit makes it possible for us to view the world correctly. Jesus Christ is the Redeemer of man and life and in Him only are we able to rediscover the true meaning of life.

School

That the purpose of Christian schools is to educate children for a life of obedience to Christ and to walk as image bearers and stewards of His creation.

Parents

That the primary responsibility for the education of children rests with the parents, to whom God has entrusted them. Parents may not revoke that responsibility and give it over to the state but seek to entrust their child's education to Vernon Christian School whose vision is to train a child to have *a heart of God and a mind for the truth*.

Teachers

That Christian teachers giving instruction in Christian Day Schools in cooperation with parents, are responsible to God to give Christian leadership in all aspects of the curriculum and also to give example by their personal conduct.

Educational Freedom

That Christian Schools organized and administered in accordance with lawful standards and requirements as set by the Department of Education of the Province of British Columbia, should be fully recognized in society as free to function according to their principles.

IMPLEMENTATION OF EDUCATIONAL PHILOSOPHY

The philosophy of the Vernon Christian School is embodied in the school's mission statement; it defines the role of the school as educators and enablers of children. It is founded on God as creator and Jesus as redeemer. At the same time the philosophy is implemented through the curriculum with the cooperation of the staff, parents, Vernon Christian School Society, the School Board and Education Committee.

Bible Studies, Devotions, Chapels

Study of God's word in the Bible is the cornerstone of Christian Education. Through it, students are reminded that all true knowledge is and must be Biblically founded. Daily devotions give teachers and students a chance to tell one another of God's faithfulness to them in their own lives and to bring all things to Him in prayer. Chapels give the school community a time to celebrate and share God's goodness in a corporate setting. Chapels at the Elementary Campus follow the Christian calendar. They are held approximately every two weeks and involve much student participation and leadership. At the Secondary Campus chapels are held weekly and as at the Elementary Campus leadership students are very involved in the planning and delivery of chapels.

Curriculum

Vernon Christian School follows the Society of Christian Schools in BC curriculum guidelines. The “Integrated Resource Packages” of the Ministry of Education of BC are being adhered to in as far as they agree with the school’s educational philosophy. Materials from Christian School International and other Christian publishers are also used to supplement the different areas of study offered by Vernon Christian School. God’s Word is applied to all subjects.

Preschool and the primary years from Kindergarten to Grade 3 welcome children into our community of learners at VCS. They are the foundational years for nurturing an attitude of wonder and delight in learning and for experiencing success in acquiring basic skills. Our curriculum includes prayer and study of Bible stories, music and art, the enjoyment and reading of literature, phonics and spelling, writing and drama, PE and, science and social studies, math, special multi-age themes, and resource-based learning which integrate classroom study with library skills. Learning is structured so as to have a balance of direct instruction, meaningful practice, exploration of materials and ideas. Students are given daily opportunities to praise God, share, cooperate and serve others. Parents are welcome to be involved in their child’s primary classroom. Reporting to parent’s primary will be anecdotal in nature.

Grades 4, 5 and 6 are the intermediate years in the elementary school program. The same area of studies is explored but learning shifts from the acquisition of “basic skills” to applying those skills to all subject areas at a higher level of thinking. There is also more cooperative group work for the students. At the intermediate level reporting to parents begins to include percentages grades.

The Vernon Christian Secondary School program addresses the needs of students in Grades 7 to 12. The program is divided into two areas: Middle School (Grades 7 to 9) and High School (Grades 10 to 12). The curriculum is presented from a Christian perspective and follows the BC Ministry of Education guidelines. Students who graduate from Vernon Christian School receive a BC Dogwood diploma and are fully equipped to apply at university, Bible College, trade school or any other post-secondary education path they choose. Evaluation is continuous and formal reporting to parents occurs four times during the academic year.

At Vernon Christian Middle High School, the curriculum has been expanded to include unique learning opportunities that go beyond BC Ministry of Education requirements. The use of a variety of technologies is woven into the fabric of learning at the Secondary Campus, both in the computer lab and in the shops.

Service

One of the most important components of the curriculum offered by Vernon Christian School is its focus on service. Service to others gives students a practical way to live out the gospel of salvation. It is how they can show the world that God is alive and real in their lives.

Students from Preschool to Grade 12 are given opportunities to serve in a manner that is appropriate for their grade level. For example, Grade 1 students have raised funds to purchase farm animals, personal belongings, and food for people in developing countries. Our school has also supported the Operation Christmas Child program. The High School students have served hot lunch to Vernon's homeless and have partnered with the Okanagan Gleaners to produce dried foods for disaster areas around the world. Our service program also includes a Grade 9 mission trip to Mexico that takes place in March.

Leadership

Vernon Christian School is intentional about teaching leadership skills to students at all grade levels. Formal instruction begins in intermediate and continues on through to Grade 12. In intermediate grades students partner with primary classes in a school "buddy" program. They provide leadership on the playgrounds reducing the need for parent intervention.

At the Secondary level we provide leadership training for all grades. Junior leadership is offered at Grades 7 to 9 and senior leadership in Grades 10 to 12 as part of the High School Bible program. Activities involve organizing school events to raise funds for local and global issues and needs.

Graduate Profile

Vernon Christian School acknowledges that parents have the primary responsibility for educating their children. We walk along side of and support families in educating young people to have *a Heart for God and a Mind for Truth*.

It is the desire of the Vernon Christian School Community to honour God by graduating students who are:

- Striving to nurture, develop and apply their Biblical worldview in all facets of their lives.
- Loving neighbours and socially responsible citizens who display Biblical principles to honour the diversity of all people created in God's image.

- Honest and effective communicators who are able to access, synthesize, and express their understandings in a variety of ways to a range of audiences.

Procedural Fairness

Vernon Christian School uses the general statement of principles from the Federation of Independent Schools Association document, *Procedural Fairness Best Practice Guidelines for Independent Schools* in order to ensure procedural fairness in the policies and procedures implemented.

Parents

The primary responsibility for the education of children rests with the parents. They in turn delegate part of the academic and spiritual instruction to the teachers during the time the children attend school. Teachers are responsible to God and parents to give Christian leadership in all aspects of school life. A healthy relationship between teachers and parents is vital to ensure the success of each child's education. Parents are encouraged and welcome to visit the school and their children's classroom often. The parent/teacher relationship is further strengthened by parents volunteering their help for the various events and activities the school has planned.

Church

Church/Home/School function harmoniously together in providing Christian education. Families are encouraged to be actively involved in a church of their choice. Churches should view the Christian School as an extension of their ministry.

ACADEMIC POLICIES

Vernon Christian School wants students to commit to academic excellence. To that end we will:

- Partner with parents to see students achieve their potential for learning in all of their classes
- Support students' academic needs
- Develop a plan for each student to be able to graduate

Assessing Student Achievement

We believe that the purpose of grading is to communicate to parents, an accurate evaluation of a student's ability to meet the learning outcomes of each course/subject. Therefore, student progress is reported in two **separate** ways:

Grades: a percentage and/or letter-grade, which is a measurement of academic achievement (what a student knows and is able to do in relation to specific learning outcomes)

Behaviour: descriptions of the characteristics, actions, and work habits that support achievement

Reporting on Student Progress

Each child is a unique individual. Therefore, the evaluation of students is reflected through both personalized teacher comments and the student's marks.

Report cards are issued four times per year in Grades 7 to 12 and 3 times per year in Kindergarten to Grade 6, at the end of each term. They report on achievement as well as work-habits and behaviour. All evaluations of students are written to indicate learning progress and to encourage further academic growth.

Reports given at primary levels (Kindergarten to Grade 3) may be more anecdotal in nature. In these early years, children are at many different stages of development. They learn at different rates and in different ways according to their abilities, interests and opportunities. We know that it is not beneficial to make comparisons between children, so care is taken to evaluate each child in terms of what he/she can do.

It must be recognized that the report card does not present a complete picture of the student's progress. Therefore, in addition to report cards, interim reports (progress updates) will be made as needed via printouts, telephone, email, teacher/parent conferences, etc. The staff will inform parents immediately upon becoming aware of actual or anticipated difficulties. It is our expectation that there will be complete cooperation between teachers and parents in their mutual efforts to help students overcome difficulties, and to help students achieve their academic potential.

Homework

Grades 1 – 3: Primary

Homework will be mainly assigned to make up for work missed, or to help individual students strengthen skills. The workload is normally gauged so that the average child will be able to complete assignments during regular school hours. We do encourage parental cooperation to supervise assigned homework, such as memory work, reading practice, etc.

Grades 4 - 6: Intermediate

At this level, good study habits and an increasing amount of responsibility will be developed. Parents are encouraged to take an active interest in the various accomplishments of their children. Praise as well as criticism is necessary for a child's emotional development. Please help children schedule their homework time. We feel school work should be a priority. If homework cannot be completed, parents are asked to send a note of explanation to the teacher. Unfinished or late homework assignments may result in after school detentions and will hinder the student's learning. All writing should be legible and neat.

Grades 7 - 12: Middle & High School

It must first and foremost be remembered that homework is an important part of the learning process for Middle and High School students, and is therefore an obligation not an option. It is expected that homework will be completed on time. In order to partner with parents in holding students accountable for their educational responsibilities, the Administration and staff at VCS are committed to providing a daily, supervised homework block. It is the goal of the school to teach positive attitudes towards homework and a good work ethic, as both are important for achieving academic success.

Student Recognition and Awards

Formal awards for Intermediate, Middle and High School students are given for Academic Achievement, Athletics, Citizenship and Most Improved Student. Teachers meet in early June to make decisions regarding the recipients of the above awards. The awards are presented at the final chapel of the year at each campus.

We believe that God desires all of us to accept responsibility for the development of our gifts. The Intermediate and Middle High School will honour excellence and hard work in our students in the following way:

Grades K-8	
Honour Roll	Achieves a “3” or higher in all but one course, which must be a “2”. Year-end report card includes no “N’s or I’s” for Work Habits or Attitude and Behavior.
Principal’s List	Achieves a “4” in all but one course, which must be a “3”. Year-end report card includes no “N’s or I’s” for Work Habits or Attitude and Behavior.
Grades 9-12	
Honour Roll	Achieves a “B” or higher in all but one course, which must be a “C” or “C+”. Year-end report card includes no “N’s or I’s” for Work habits or Attitude and Behavior.
Principal’s List	Achieves an “A” in all but one course, which must be a “B”. Year-end report card includes no “N’s or I’s” for Work Habits or Attitude and Behavior.

Students obtaining the above recognition will receive a certificate at the year-end Awards ceremony, as we feel it is important to acknowledge excellence in effort and achievement by students. It tells students that their labours have not gone unnoticed and encourages them to give their best effort in the future.

Please see **APPENDIX G** at the end of this Handbook for full policy.

DISCIPLINE POLICIES

Introduction

The Administration and Teachers of Vernon Christian School, in cooperation with the parents, will create a positive learning environment through consistent discipline. All parents are required to read and encourage their children to adhere to the school's Standards of Conduct that have been established for both campuses. Parents and/or students in Grades 4 to 12 are required to sign the Consent Form showing their understanding and agreement to the Standards of Conduct. Corporal punishment is not practised at Vernon Christian School. Discipline will normally be in the form of additional work, chores, detentions or suspensions.

School Discipline Policy

Student disciplinary concerns are generally dealt with at the classroom level. Teachers will be sensitive to student differences and will notify parents, seeking their involvement early if necessary. If, however, a major disciplinary infraction or a series of minor infractions typifying a belligerent attitude occurs, the student will be sent to the Principal's office. Each campus has developed specific procedures for that campus.

Standards of Conduct

At Vernon Christian School we are committed to walk faithfully with our God and to work together as a community to reflect His light in the world. It is therefore an essential part of education at Vernon Christian School to teach our students to live a life honouring to God by exercising good manners and correcting undesirable behaviour.

Bullying and Harassment

Bullying is when someone uses his/her power to hurt or scare others. It does not mean those casual occurrences in the corridor, or the sudden flare-ups that may occasionally occur. Bullying is about a planned assault, be it verbal, physical, psychological, sexual or emotional upon another person. A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more persons. It may be done through actions and words including:

- Direct physical contact such as hitting or shoving
- Verbal assaults such as teasing or name-calling
- Socially isolating or manipulating a student

Harassment refers to behaviour, gestures, comments or displayed materials of a serious racial, religious, gender based or personal matter that is intended to create a hostile or offensive environment for another person or persons.

Harassment and bullying are contrary to our Standards of Conduct and will not be tolerated at VCS. Staff, students and parents are strongly urged to report all incidents to the school administration.

See **APPENDIX C** at the end of this Handbook for the full Policy.

Dress Code Policy

Our Scriptural principles for dress code come from 1 Corinthians 10: 23 – 24:

“Everything is permissible, but not everything is beneficial. Everything is permissible, but not everything is constructive. Nobody should seek his own good, but the good of others.”

At Vernon Christian School we believe that dressing modestly and neatly are important aspects of promoting an orderly and positive learning environment for all students in our school. We believe the school has a communal responsibility to encourage students to present themselves in a Godly manner, which also includes appropriate attire for a school setting.

The following expectations flow from our school’s Standards of Conduct and are consistent with our school’s motto *A Heart for God, A Mind for Truth*.

Expectations:

- Midriffs will be covered
- Tops must conceal cleavage
- Undergarments are not to be visible
- All tops must have sleeves
- Shorts, dresses and skirts should be modest in length and fit
- Headwear is to be worn in a manner that promotes positive engagement with others, to be determined at the discretion of staff
- Clothing with words/logos or images of drugs, alcohol, sex, violence, prejudice or profanity are not acceptable

Note: The dress code applies to school functions as well as to each school day. However, on certain occasions (PE classes, field trips, beach-day, music programs, etc.), more casual or more formal clothing might be appropriate.

Response to Dress Code issues:

If the staff at their discretion determine a student is dressed inappropriately for school, the student will be asked to change. The office may be able to lend suitable attire to the student if required, or a parent may need to be called to bring clothing to the school. If an uncooperative pattern develops, parents will be notified, and disciplinary steps will be taken with the student. Where differences of opinion concerning clothing exist, the administration has the responsibility to use its judgement.

See **APPENDIX B** at the end of this Handbook for the full Policy.

Appeals Procedures

Parents may appeal the decision of the school regarding discipline matters at any stage of the proceedings.

See **APPENDIX I** at the end of this Handbook for the full Policy.

Attendance and Punctuality

Attendance

Regular attendance at school is an important ingredient for successful participation and achievement. Students are expected to attend school regularly, missing only due to illness, for appointments, or as a result of other unavoidable circumstances. Prolonged or frequent absence affects learning. In addition, it creates extra work for students and teachers. Government grants assigned to the school by the Ministry of Education are done so on the basis of daily attendance.

If a student is or will be absent, it is important that a parent/guardian contact the office at either scoffice@vcs.ca or ecoffice@vcs.ca, or by phone.

If a student is absent, he/she needs to take the following steps:

1. contact a classmate for notes and a summary of class material and instruction
2. check their MySchool account for assignments and due dates
3. contact the teacher in advance or upon return for handouts or instructions

In the case of an extended absence, please notify the school as soon as possible. Teachers may be able to provide the student with materials in advance, but most work will need to be caught-up upon return. Students are responsible to contact the teacher and request special arrangements if they have or will miss a test or assignment. To compensate for missed instruction, students will need to seek help from classmates and/or research external materials and resources.

Late

In order to maximize instructional time and limit disruption to the learning of others, students are expected to arrive for their classes prior to the start time with the appropriate materials. Each campus has established procedures to address students who are late.

Extended Student Absence

In partnership with families, VCS desires to provide structure and support when events, opportunities, and particular needs arise. It is always our desire to have our students

physically present in our VCS community. However, in partnership with families, it is also our desire to provide structure and support when an extended absence is necessary.

Please see **APPENDIX J** at the end of this Handbook for full Agreement and Form.

School Bus Code of Conduct

Bus Stop Locations

Bus stop locations are determined based on the addresses of registered riders. We try to accommodate every request for pick-up locations, but sometimes our buses do not pick up in certain catchments. In addition, we cannot always provide door-to-door service as we have a very tight schedule that must be adhered to.

Pick up/Drop off

Students should be at their pickup location at least 5 minutes before the scheduled pick-up time. Traffic and other conditions that are out of the driver's control can determine whether they will be at your stop at the scheduled time. Please allow approximately a 5 minute grace period for both pick-up and drop-off times especially on winter roads. If the student is in Kindergarten and without an older sibling with them, there must be a parent, older sibling, or another emergency contact adult at the student's drop off location to pick them up. If no one is there within 2 minutes of the bus arriving, the student will remain on the bus and be return to VCS. Parents will be contacted to make pick-up arrangements there.

Student Conduct

Students that misbehave on the bus will receive a warning from the bus driver. The second time a warning is received a parent phone call will be given. If the behaviour continues, the driver will inform the Principal or Vice-Principal and action will be taken, which may include dismissal.

Reasons for bus dismissal:

- Swearing
- Fighting
- Bullying
- Hurting another student or the driver
- Continual misbehaviour
- Refusing to stay seated while bus is in motion
- Damage to the bus

The length of the student's dismissal from the bus will be determined by the circumstances of the incidents and communicated to the parents.

Bus Restrictions

- Hockey sticks/golf clubs/sporting equipment must be stored underneath the seats. Ice skates must be stored in a bag or have skate guards.
- Bags may not be stored in the aisles.
- Musical instruments must be held by the student. If the instrument is too large for the student to have on their lap or underneath their seat, the instrument may not be allowed on the bus (examples: harp, tuba, didgeridoo).
- Students who are going on an overnight trip that requires sleeping bags, pillows, hard-shell suitcases and/or large duffel bags may be required to get a ride to school with parents.
- Preschool students are allowed on the bus only in the afternoon and only with a sibling that is in grade 5 or higher (not a relative or other student).

COMMUNICATION GUIDELINES FOR PARENTS, GUARDIANS, CAREGIVERS, VOLUNTEERS AND VISITORS

Rationale

At Vernon Christian School we value the participation of parents, guardians, caregivers, volunteers and visitors in the life of our school. This document is designed to guide interactions between all those who communicate with the Vernon Christian School staff. These interactions include when we are present at the school, engaged in school-sponsored activities, or away from work outside of school hours.

Communication Guidelines

Parents, guardians, caregivers, volunteers and visitors will:

- Be respectful of time constraints of staff and their responsibility to focus on students. Emails will likely not be answered between 8:00 am and 3:15 pm. Emails will be answered within 2 school days.
- Use means of communication that are professional, respectful, and protect personal boundaries when contacting staff: email, meeting, or phone-call through the office only. (Calling/texting a personal cell phone, or using social media to discuss school matters is not acceptable)
- Call the office of the applicable campus if there is an emergency that needs to be communicated to your child(ren). Our office staff will ensure that this communication is prompt.

- Respect the authority of staff and refrain from speaking negatively or posting criticisms of staff on social media. Do not post anything about staff on social media without their permission.
- Make an appointment before showing up at school to speak with a staff member when a lengthy discussion might be needed.

COMMUNICATION BETWEEN SCHOOL AND PARENTS

MySchool

Our main method of communicating with parents and students is through our MySchool accounts. Report cards, homework, marks, messages, etc. are all stored here and accessible from any computer.

VCS Website www.vcs.ca

Another way for communicating with parents is the school website. It has a calendar that lists important dates and information regarding events current and upcoming that concern the school and community. It also includes information from Administration and the Board. The website is updated on a regular basis.

Email

We encourage the parents, school offices, administration, Board and teachers to use email as the most direct way to communicate with one another.

Reader Board

The reader board is strategically located on the top southeast corner of the Secondary Campus building. Please take time to read it regularly.

Parents - Teacher Interaction

Your child's teacher is your best source of information regarding his/her achievement, performance and or any other information regarding your child. We suggest they be your first point of contact. If you are dissatisfied with the information or tone of that interaction, then you should connect with the campus Principal. For general school information your campus secretary is the person to contact. In order to foster open and clear communication parents are encouraged to discuss any general concern, observation or suggestion for improvement with anyone on staff. We want your input.

Our teachers will communicate with you through formal reports and at parent/teacher interviews. They will also communicate with you via email, the phone and of course in face-to-face conversations.

Parents - School Board Interaction

The School Board meets monthly and highlights important information from it on the school website. The Board also hosts school Society Meetings to keep parents informed about the direction of the school and provide opportunity for input from the society members. Individual Board members will be in contact with parents and are open to discuss any matters concerning the school. They may be contacted directly or through the school offices.

PARENT VOLUNTEERS

Vernon Christian School would not be as vibrant, friendly and successful if it did not have the prayers, involvement and commitment that it receives from its parent community. If you wish to become a volunteer at our school, or know of someone (other family member, friend, etc.) that would like to become a volunteer, there are 2 very important things that will need to be completed before you volunteer:

1. Criminal Record Checks (CRC)

A volunteer who needs a Criminal Record Check is anyone who is NOT PAID and helps in a classroom or anywhere in the school (i.e. hot lunches, One-To-One Reading, etc.), drives for a field trip, and has any one-on-one contact with students at our school. We have signed up as an organization with the Ministry of Justice as a volunteer organization. The Criminal Record Checks (CRC) for volunteers are free of charge. If you fall into this description of a volunteer, you will need to have a CRC done every 5 years. If you currently have a CRC that is less than 5 years old, you can forward it to the school in person or by email or fax. If you do not have a current CRC, your CRC is expired or about to expire, please visit our website at www.vcs.ca and look for the link for Criminal Record Checks. The instructions are easy to follow and the process to complete the application is easy and free. You will not be allowed to volunteer in any way until this process is complete and the school has received your clear CRC.

2. Vehicle Third Party Liability (TPL)

Once you have completed your Criminal Record Check and you plan on driving students to school related activities in your vehicle (field trips, sports games and tournaments, etc.) we require that you carry at least \$3 million in Third Party Liability on your vehicle insurance. We will need a copy of your vehicle insurance documents, showing this amount or higher. This is shown on the 2nd page of your vehicle insurance papers (if coverage is through ICBC). If you have more than 1 vehicle that you may use to

transport students, we will need a copy of this paper for EACH of these vehicles. You can bring your papers into either school office for us to photocopy or you can scan them and email them to either ecoffice@vcs.ca or scoffice@vcs.ca. These documents will be kept confidentially in a secure location.

Parents may become involved in the following ways:

Gifts

Vernon Christian School is a faith operation. Tuition, Government Grants and fees do not cover the total cost of education for the students. Gifts from parents and friends of the school are income tax deductible, and greatly enhance the school program.

Work Bees

From time to time, “work bees” will be called to carry out projects on the school buildings and grounds that are impossible in the regular schedule. Parents who have trade skills may be asked to help with special jobs during the year. Work bees are also a great opportunity to meet other parents and further strengthen the relationships built here at VCS.

School Board and Committees

Each year a number of committees are formed to promote various programs. These volunteers are vital to the operation of VCS. As the need arises, parents will be requested to offer assistance.

In the Classroom

Each teacher is encouraged to have a Parent-Volunteer Coordinator to help the teacher organise various programs in the classroom. Cooperation of parents when asked is much appreciated.

VCS Parents-In-Action

This school support group sponsors events and activities that serve to further promote and grow community spirit. Some of the events include an annual gift-wrapping fundraiser, monthly hot lunch days and community BBQ's.

Volunteer Database

Each year the school sends out a volunteer questionnaire for parents to fill out as part of their Continuing Enrolment process that happens in January. The purpose of the questionnaire is to compile a database for the school to access volunteers whose

assistance can give support and, in some cases, save money on maintenance and repair costs.

SCHOOL LIBRARY

The Library at each campus plays an important role in the lives of students, teachers, parents and society members. Books are carefully chosen to support the philosophy and educational program of the school.

The Library Technician requests all students, staff and parents adhere to the following regulations:

1. The Library is primarily a place to enjoy reading, study and research.
2. Library materials must be checked out by the Library Technician
3. Please respect the due date.
4. Library materials being returned must be dropped in the return slot and not returned directly to the shelves.
5. No food or drink is allowed in the Library at any time and the room is to be left neat and orderly.
6. The Library is to be used at the designated times or under the control of a teacher.

Each class at the elementary campus is assigned a Library block when books may be checked out or returned. Students with overdue books may not sign out another book from the Library until the overdue book is returned. Books that are lost or badly damaged must be replaced by the student who had the book in their possession. Parents and Society members are welcome to use library materials.

GENERAL INFORMATION

Child Protection Procedures

Vernon Christian School's procedures are consistent with current government legislation.

Please see **APPENDIX F** at the end of this Handbook for full policy.

Field Trips

Educational field trips are taken in conjunction with different units being taught. An information form including pertinent information about the trip is sent home or emailed home for each field trip. There will also be a Permission Form Request emailed home through MySchool. Parents/guardians must indicate their acceptance or declining of the online MySchool Permission Request. Without this acceptance, your child will not be allowed to attend the field trip. A charge may be assessed for transportation or for admission. Parents may also be asked to help supervise or drive on field trips. You will need to have a complete and clear Criminal Record Check (see page 20). Also, ICBC recommends that drivers carry a minimum of \$3,000,000 in Third Party Liability (see page 21). School rules regarding conduct and dress are applicable on field trips.

Fire, Earthquake & Lockdown Drills

Classes will be oriented in the emergency procedures of the school at the beginning of the year. Students are to treat earthquake drills, fire drills, lockdown drills and other emergency procedure practices with seriousness and respect. Parents and visitors to the school are expected to participate in all drills.

First Aid and Accident Procedure

All injuries to students will be brought to the attention of a staff member. If the injury warrants, the designated first aid specialist on staff will be notified in the school. The homeroom teacher will then fill out an Accident Report Form. Parents will be informed of injuries requiring an Accident Report Form.

Health Information

The Public Health Nurse visits the school regularly and is available for consultation when necessary. Before enrolling in Kindergarten be sure to contact the health nurse at the local Health Unit to ensure that your child has the proper immunizations. The school has information regarding communicable diseases such as chicken pox or mumps, their incubation periods and how long they should be excluded from school.

Kindergarten students receive hearing, vision and dental screening. All grade 6 students receive Hepatitis B shots, and Grade 9 students receive a Diphtheria/Tetanus Booster shot, with the permission of their parents. Other inoculations may be administered but will be done only after parents have been informed and their permission is received.

Students required to take regular medication must leave the medication, carefully labeled, with the homeroom teacher or office. A **Request for Administration of Medication at School Form** must be filled out by the parent, or in some instances, by the child's physician. It must also be signed by the Public Health Nurse and Teacher responsible for administering the medication. **If there are any changes to the amount or type of medication, a parent signature is required to verify the change.** This form is available upon request at the school office. Basic first aid supplies are kept at school; however, **the school will not supply any medication to students.**

Head Lice

Children should not be excluded from the community or school due to head lice. If there are problems with the treatment, parents are encouraged to consult a public health nurse for information and resources.

Head lice can affect anyone. Head lice are annoying and may cause itching, but they do not transmit or cause disease. Children and adults' reactions to head lice can subject children to teasing, bullying and isolation. Reactions to head lice can significantly interfere with a child's emotional well-being, social status in the classroom and ability to learn. For these reasons, head lice infestations should be treated.

For best control of head lice:

- The primary responsibility for control of head lice rests with the family.
- Public health nurses can answer questions about the management of head lice.
- If a child has head lice, they can continue to have contact with others for the remainder of the day. The parents will be told so that they can begin treatment as soon as possible.
- To prevent the spread of head lice and ensure that the child has received treatment, information letters will be given to parents and classroom contacts.

Inclement Weather

The teachers will decide when the weather conditions are severe enough for students to stay inside during recess, noon hour or prior to opening of school. If a child has to stay inside for health reasons, a note from the parent is needed. If a child will be staying inside for an extended period of time, a doctor's certificate is required.

Insurance

The school carries an accident policy covering students during the school day and school trips. Details of coverage are available from the school office.

Internet Use

The incredible resources of the Internet are provided so that students may utilize it as a research tool to enhance their educational experience while at VCS. To ensure proper respect and instill accountability, students from Grades 4 to 12 are asked to sign the Consent Form indicating their agreement and support of the guidelines indicated in the Internet Use Policy Agreement Contract. Students who do not sign the agreement will forfeit their Internet privileges. Students disregarding the guidelines may lose their Internet privileges and face additional disciplinary measures as well.

See **APPENDIX E** at the end of this Handbook for full policy.

Lost and Found

Students are encouraged to take personal belongings home every day. All items left behind are removed from the classrooms, bathrooms and hallways each day and placed in the lost and found box. Articles not claimed will be given to the Upper Room Mission.

Parking Lot Etiquette & Behavior

During two small windows of time every school day, over 450 students arrive at and leave from VCS. Although we are fortunate to have organized drop off and pick up procedures, the sheer volume of traffic creates a challenge at these times. We are asking for your help and cooperation to make this process as smooth as possible for everyone.

Please follow these simple procedures when parking, dropping off or picking up your children:

- Be courteous and patient in our parking lot and the surrounding areas. All of the people in line also have children at our school and they want them to be safe.
- Park only in marked parking spaces. Parking in the drop-off only areas blocks traffic and causes additional problems.
- Be kind to our neighbours by not blocking their driveways or parking on their property.
- Stopping on Pleasant Valley Road to drop off or pick up your children is unsafe and blocks traffic. Please enter the school property to do this.
- Students are to stay on the sidewalks and wait until their ride is spotted and parked in a parking stall.
- Running into traffic and crossing the parking lot in non-crosswalk areas is not allowed. Please instruct your children to cross at the crosswalks only to reach vehicles and the upper parking lot.
- Please obey the parking lot speed limit of 15 km/h.

- Please obey the staff supervisors who monitor the parking lot after school is dismissed.

Personal Information Privacy Act (PIPA)

Vernon Christian School adheres to the PIPA in regard to all information collected from parents. Please visit the school office if you would like a copy of the Personal Information Privacy Act.

Snow Sledding

VCS is blessed to have a facility that affords students wonderful opportunities for outdoor winter activities. With these activities, which include sledding, come certain risks. At the beginning of each sledding season staff review sledding safety guidelines with their classes. All students are encouraged to and are responsible for using the hill in a manner that ensures their own safety and the safety of their peers around them. To this end, here are the expectations for all students:

- **helmets** are mandatory when sledding at VCS
- wear appropriate clothing and helmet for comfort
- use sleds that are safe for use (determined by staff)
- use the designated sections of the hill for sledding and returning to the top of the hill (typically demarcated by cones).
- sled/slide down staggered, always maintaining a safe distance between sledders.
- clear away to the sides of the lane once at the bottom of the sliding area.

Students who repeatedly violate these guidelines will not be allowed to sled on the hill for a period of time determined by a staff member.

Student Drivers

All students who drive a motorized and/or battery powered vehicle to/from Vernon Christian School are expected to drive in a safe and responsible manner that is in compliance with all ICBC regulations and restrictions on their particular license. This includes any driving that may be part of a class or a school related activity. Students are expected to park in designated student areas only and must obey the parking lot speed of 15 km/h. A violation of these expectations may result in a loss of driving privileges and/or other disciplinary measures. Please note: there may be extraordinary circumstances in some classes when students are asked to drive for an event. In these situations, parent permission will be required, and VCS strongly recommends that students and/or their parents carry a minimum of \$3 million of liability coverage. This covers situations such as Criminal Negligence, Property Damage and hitting an out of province driver since basic enhanced ICBC is for BC drivers only.

Student File Disclosure Procedure

In the event that a parent wishes to have access to their child's school files, they must give the school five days advance notice.

Student Illness

Some illnesses and situations require a child to be absent from school to prevent the spread of infection to other students or staff, and to allow the child time to rest, recover and be treated for the illness.

There are 3 main reasons to keep sick children at home:

1. Your child doesn't feel well enough to take part in normal activities.
2. Your child needs more care than teachers and staff can give while still caring for other children
3. The illness is on the list, below, and staying home is recommended to prevent the spread of the illness to other students and staff. Please teach your child proper hand-washing techniques to prevent the spread of many illnesses.

Please help keep our school healthy by following the guidelines below. Keep children at home if they have conditions such as, but not limited to the following:

- A fever of 38 C (100 F) or higher – keep them home for 24 hours after the fever is gone
- Vomiting or diarrhea – keep them home for at least 24 hours after the last episode
- A severe sore throat, including Strep Throat – particularly if you can see white or red spots at the back of the throat or if they also have a fever – may return after 24 hours of antibiotic use
- A rash with a fever
- Communicable diseases – such as but not limited to Influenza, Chicken Pox, Measles, Mumps, Pertussis, Meningitis, Mononucleosis, etc. – may return when cleared by their medical provider
- A deep hacking cough – along with a runny nose and headache
- Untreated infections of the eye, ear or skin including Pink Eye
- Different behaviour from normal (acting unwell)

If a student arrives at school with symptoms or develops symptoms indicative of a condition listed above, a parent/guardian will be contacted and asked to pick the child up as soon as possible. The parent/guardian needs to maintain direct contact with the school's Administration if the child is diagnosed with any communicable disease so that the school can take appropriate steps to protect the entire student population and staff.

Supervision

The school offers supervision before and after school as well as during recess and lunch hour. A teacher will be on supervision for the morning recess, a teacher and parent will be on duty during the lunch hour. A teacher or parent will be on duty for morning supervision that begins at 8:00 a.m. and goes until school starts. After school supervision goes from the end of the school day until 3:20 p.m. During supervision times, the school will be responsible for students in the building and/or on the playground. Other than scheduled extracurricular activities that extend beyond these times, parents will be responsible for their children. Keeping this in mind, please do not drop your children off before the supervision begins in the morning or pick them up after 3:30 p.m.

Supervision at the Secondary campus coverage also happens at the same times as at the Elementary Campus.

Textbooks

All necessary textbooks will be provided for students. Students must remember that they are responsible for books issued to them. Defacing books in any way is not allowed.

Visitors

Parents and others are encouraged to visit our school. However, common courtesy requires that prior arrangements be made with the teacher or principal and that they sign in at the campus office.

ADMISSIONS INFORMATION

Vernon Christian School is open to people of all backgrounds. It is, however, a Christian school that has its roots in evangelical Christianity. All new families interested in enrolling in the school must complete the Student Enrollment Forms and provide additional information requested on that form. An interview with school administration

will precede the admission of new students. Parents must consent to support the educational philosophy, policies, Biblical principles and the Vision Statement of VCS.

As part of our admissions policy parents are offered the choice of becoming full or associate members.

Full Membership is reserved for those parents who fully support, agree and adhere to ALL of the Vernon Christian School Society Constitution and Bylaws. A full member is categorized as a person who is a 'born again' Christian' who regularly and faithfully attends a church and is an active part of that church. A full member is entitled to vote at all Society general meetings, may run for and hold a position on the board of directors, sit on or chair a society committee and are encouraged to participate in all school activities.

Associate Membership is for parents who may or may not have made a personal decision to follow Christ or do not regularly and faithfully attend a church. They do not fully support the items as outlined in the Vernon Christian School Society Constitution and Bylaws and therefore do have some limitations placed on them. An associate member does not have a vote at any general meetings, they may not hold a position on the Board of Directors nor will they be able to 'Chair' a committee. Associate members are encouraged to sit on a committee of their choosing and be an active and integral part of the parent community here at VCS. Associate members are encouraged to participate in all school activities.

Please refer to the membership section of the Vernon Christian School Bylaws for further information.

All parents and students in Grades 4 to 12 must signify their support of the school's Standards of Conduct by signing the Consent Form on the admission form.

New students are accepted for a probationary period of three months. Parents will be informed if the period needs to be extended.

Students will only be accepted if the school can meet their educational needs.

If school enrollment is full, a waitlist will be established. Families on the waiting list will be notified whenever a vacancy arises. Families with students on the waitlist must confirm with the school after January 1 if they wish their child(ren) to be considered for enrollment in the following September.

TUITION FEES

The funds needed to provide for the operation of Vernon Christian School are obtained from three main sources:

1. Donations from churches, friends, parents and families.
2. A government grant per child, which is presently 50% of the operating cost per pupil in the local school district; and
3. A tuition fee per family.

The tuition fee is set annually by the School Board and approved by the Society at the Annual meeting. It is the Board's goal to offer an excellent Christian education and at the same time keep the tuition fee as reasonable as possible.

The tuition fee is due on the first of the month. Parents have the option to pay their tuition fee in advance or in 10 or 11 equal monthly instalments. The school accepts post-dated cheques or pre-authorized automatic bank debits.

It is expected that parents keep their tuition accounts current. If a family experiences genuine financial difficulty, we will be pleased to help and discuss alternate arrangements; however, we expect that parents inform the school before they fall behind in their financial commitment. It is expected that the school as well as the parents, maintain a good Christian witness by proper financial management and open dealings with each other.

A non-refundable registration fee is due each year. Payment is due from VCS families when they re-enroll and from new families when they apply for enrollment. This registration fee will be deducted from the following June tuition.

CONCLUSION

We are not able to include every possible situation in this handbook nor are all possible situations covered by our policies. However, the school is committed to addressing all situations through the application of Christian principles. We will attempt to keep parents and students informed of all changes in this manual as well as changes made to our policies. It is our prayer that the Lord will reward our efforts to work together as a Christian community to provide our students with a good academic education, a wholesome Christian view of life, and consistent encouragement to become obedient to Jesus Christ and His Word. God bless you as you join us in this task.

APPENDIX B – Standards of Conduct & Dress Code Policy

At Vernon Christian School we are committed to walk faithfully with our God and to work together as a community to reflect His light in the world. It is therefore an essential part of the education at V.C.S. to teach our students to live a life honoring to God by exercising good manners and correcting undesirable behaviour.

Students are expected to show reverence for God by:

- respecting times of Bible readings, singing of spiritual songs and prayer;
- not using God's name in vain.

Students must honour those God has placed in authority over them by:

- responding quickly and courteously to a teacher's instructions;
- addressing teachers and other staff by their proper title (Mr., Mrs., Miss plus last name);
- treating teacher's desk and property as 'off limits';
- respecting non-student areas such as office, staffroom and supply rooms;
- being in class and ready for instruction by the designated start times at the beginning of the day and after recesses;
- responding respectfully to parents and other adults of the school community.

Students must treat each other the way they wish to be treated by:

- addressing each other respectfully, and not by demeaning 'nicknames';
- being courteous to each other and using phrases such as 'excuse me' and 'thank you';
- apologizing for a wrongdoing;
- looking behind them and holding the door if someone is following;
- not running or bumping into anyone in the hallway;
- talking about others in the same manner they wish to be talked about, i.e.: making only complimentary remarks about others appearance, no gossip;
- not making someone else's life miserable by teasing and 'bugging'.

Students must respect each other's property and school property by:

- asking for permission before using another student's property;
- keeping classrooms, desks, lockers and counters tidy;
- using garbage pails for litter;
- wearing clean indoor shoes inside the building;
- not writing on the buildings, furniture, books or any other school resources.

Students are expected to exercise self-discipline by:

- paying attention to their language and avoiding rude expressions;
- raising their hands when wanting to talk, and not interrupting their teacher or other students;
- completing assignments to the best of their ability and by the date due;
- taking pride in their appearance by being tidy and well-groomed at all times;
- dressing modestly and appropriately for the school day.

The following violations will lead to a suspension or expulsion upon the first offence:

- bringing tobacco or vape products, alcohol, or non-prescription drugs to school or school functions for the purpose of using and/or selling them.
- stealing from the school, school personnel, or a student.
- falsely accusing another student of a wrongdoing.

- bodily harm using a weapon or something that could be used as a weapon.
- causing bodily harm, for example, in a fight.
- bringing pornographic material to school for the purpose of showing, displaying or selling.
- sexually explicit inappropriate behaviour.

Before a student is expelled, the parent will receive the opportunity for an interview with the principal and member(s) of the school board. It is the school's desire to lead the student to honest repentance, followed by a process of reconciliation.

DRESS CODE POLICY

Our scriptural guideline comes from 1 Corinthians 10: 23 – 24, 32,33:

“Everything is permissible, but not everything is beneficial. Everything is permissible, but not everything is constructive. Nobody should seek his own good, but the good of others.... Do not cause anyone to stumble, whether Jews, Greeks or the church of God – even as I try to please everybody in every way. For I am not seeking my own good but the good of many, so that they may be saved.”

At Vernon Christian school we believe that dressing modestly and neatly are important aspects of promoting a Christ-centered learning community. We believe the school has a communal responsibility to encourage students to honour God and show respect for themselves and others by dressing appropriately for a school setting. The following guidelines are to help provide clarity and consistency in meeting this responsibility.

Dress Code Guidelines:

- Midriffs will be covered
- Tops must conceal cleavage
- Undergarments are not to be visible
- All tops must have sleeves
- Shorts, dresses and skirts should be modest in length and fit
- Headwear is to be worn in a manner that promotes positive engagement with others, to be determined at the discretion of staff
- Clothing with words/logos or images of drugs, alcohol, sex, violence, prejudice or profanity are not acceptable

Response to Dress Code issues:

If students are dressed inappropriately for school, they will be asked to change to an appropriate article of clothing. The office will provide suitable attire if required. Parents will be notified at the onset of any concerns regarding their child's attire at school. Administration, parents and student(s) will meet as soon as possible if clarification about the school dress code needs to be discussed. Parents are expected to support the staff by talking to their children about these guidelines and encouraging adherence to them.

These standards must be adhered to by the student and will be actively promoted by the staff of Vernon Christian School. Parents are expected to support the staff by talking to their children about these guidelines and encouraging adherence to them.

If a student does not respond to correction from a teacher, the parents will be informed and must take responsibility for their child's misconduct. Should inappropriate behaviour continue, the principal has the authority to suspend a student; the school board has the authority to expel a student.

APPENDIX C – Bullying, Harassment & Discrimination Protection

	<p>BULLYING, HARASSMENT AND DISCRIMINATION PROTECTION POLICY</p>	<p>DATE PASSED: NOV 7, 2016</p>
---	---	--

--	--	--

INTRODUCTION

Vernon Christian School takes seriously its call to provide a safe learning environment where every student is treated with dignity and respect as one bearing the image of God, and where each person's individuality and sense of self-worth within the school is maintained. This duty of care to protect students from harassment, sexual harassment, bullying, and discrimination remains in all circumstances. The aim of the policy and procedure is to ensure that any complaint of bullying, harassment, or discrimination is effectively and speedily dealt with and that appropriate action and discipline is taken to ensure as far as possible that it does not occur again.

PURPOSE

All students have the right to be treated with dignity and respect. Harassment, sexual harassment, bullying and discrimination are not acceptable forms of behaviour and will not be permitted or condoned. Such behaviour humiliates, offends, exploits and undermines students and employees, interfering with school performance and creating fear, stress and anxiety at school.

Vernon Christian School will continuously develop strategies to make students feel valued, respected and connected within the school community. This will include the protection of the students' physical safety, social connectedness, and inclusiveness, as well as protection from all forms of bullying, regardless of their gender, race, culture, religion, sexual orientation or gender identity and expression, while remaining consistent with Vernon Christian School's faith-values, cultural perspectives and philosophical values.

Where a formal complaint is substantiated it will be treated as a disciplinary matter and could lead to suspension or expulsion. The procedure applies to all students, employees and volunteers of Vernon Christian School.

WHAT IS HARASSMENT, SEXUAL HARASSMENT AND BULLYING?

A. Harassment definition:

Canadian Human Rights Commission defines Harassment as:

Harassment is a form of discrimination. It involves any unwanted physical or verbal behaviour that offends or humiliates one. Generally, harassment is a behaviour that persists over time. Serious one-time incidents can also sometimes be considered harassment.

Examples of Harassment occurs when someone:

- makes unwelcome remarks or jokes about one's race, religion, sex, age, disability or any other of the 11 grounds of discrimination.
- threatens or intimidates someone.
- makes unwelcome physical contact with someone, such as touching, patting, pinching or punching, which can also be considered **assault**.

Students must understand that Harassment and Sexual Harassment are against the law even in a school environment. It disrupts a student's positive and safe learning environment and will not be tolerated.

B. Sexual Harassment definition:

Sexual harassment is any unwelcomed, unwanted pressure or verbal, cyber, visual or physical conduct of a sexual nature. The most prevalent kind of sexual harassment happens student to student by either a male or female. It can be a single incident or may repeatedly occur over time. Student sexual harassment even on social media outside of the school environment affects a student's right to a safe educational environment. Examples of sexual harassment may include but are not limited to:

- touching, grabbing or pinching someone deliberately in a sexual way
- spreading sexual rumours, gossip and slander
- telling explicit sexual jokes, comments or gestures about someone
- making remarks of a sexual nature about someone's clothing, body or gender
- repeatedly pressuring another student when they have said "no"
- threatening sexual remarks or suggestive gestures or noises
- requesting or sharing nude photos or revealing body parts
- displaying or sharing physical or computer sexual images on social media
- making sexual comments while pretending to be someone else online

C. **Bullying** definition:

The Ministry has defined bullying as:

Bullying is typically a form of repeated and aggressive behaviour directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person's body, feelings, self-esteem, or reputation. Bullying occurs in a context where there is a real or perceived power imbalance.

Bullying and harassment are similar in some ways yet different. Both hurt another person through cruel, offensive and insulting behaviours. Where they differ is harassment is a form of discrimination.

Bullying is never okay. It is abuse. Bullying is not an isolated incident. It is intentionally targeted behaviour which occurs repeatedly towards another individual.

Bullying can take many forms. It can be:

1. **physical** – hitting, shoving, stealing, or damaging property
2. **verbal** – name calling, mocking, or making sexist, racist, or homophobic comments
3. **social** – excluding others from a group or spreading gossip or rumours about them
4. **written** – writing notes or signs that are hurtful or insulting
5. **cyberbullying** – Cyberbullying is bullying through the use of text messaging, Facebook, YouTube, Snapchat, Twitter, ranking/rating sites, email, blogs and other communications and social media sites for the purpose of being aggressive and hurtful to:
 - upset, threaten or embarrass another person.
 - use email, cell phones, text messages and social media sites to threaten, harass, embarrass, socially exclude or damage reputations and friendships.
 - use put-downs, insults and can also involve spreading rumours, sharing private information, photos or videos or threatening to harm someone.

RESPONSIBILITIES

VCS Administrators are responsible for:

- promoting and participating in professional development and learning opportunities to enhance their ability to promote caring, respectful and safe learning environments and to prevent and reduce problems of bullying, harassment and sexual harassment
- surveying teachers and school staff, students, parents and community members to determine the extent and nature of bullying and how effective interventions are at reducing bullying problems;
- encouraging the participation of teachers/school staff, students, parents/caregivers and community members to develop and support a comprehensive school-wide bullying prevention strategy;

- taking a personal stand against bullying and participating in bullying prevention activities at the school; and,
- reporting all acts of bullying, harassment or sexual harassment experienced or observed to a school administrator, teacher or staff member as incidents occur.

DISCIPLINARY PROCEDURE FOR HARASSMENT, SEXUAL HARASSMENT AND BULLYING

VCS Administration, teachers and staff will take a clear stand that no harassment, sexual harassment and/or bullying is ever tolerated in any form of communication at the school. Instances will be treated as important and dealt with in a timely manner as to ensure the safety of VCS students. The following steps will be taken when incidents are reported:

1. Administrators are responsible for investigating, writing an incident report and determining appropriate courses of action consistent with the school's Discipline Policy, which may include suspension or expulsion. The incident report should be provided to the parents or caregivers of the students directly involved.
2. In the event of an investigation or discipline process, the Administrator in consultation with the school counsellor should outline available resources to the offender and the victim. Resources should include one or more of the following:
 - harassment education and prevention
 - anger management
 - conflict resolution
 - restorative justice
 - in-school counselling
 - external counselling
 -

CONFIDENTIALITY

It is important that those who have been harassed/bullied or have been witnesses to harassment/bullying feel confident to come forward with information without fear of recrimination. Conversations and records of an investigation must therefore be treated confidentially and sensitively by everyone involved. Only students and parents/caregivers of those individuals who are directly involved will be notified. Any breach of confidentiality will be

treated seriously and may lead to disciplinary action. This does not preclude individuals from discussing their own cases with the counsellor.

APPENDIX E – Internet & Technology Use Policy

For Students and Staff of Vernon Christian School

Vernon Christian School offers students access to a computer network for access to electronic mail and the Internet.

The Internet is a global network of computers that allows individuals to share information, send electronic letters, voice and video messages, pictures, and programs. Internet use enables

teachers and students to bring a vast number of resources and experts right into the school and the classroom. Access to e-mail and the Internet enables students to explore thousands of libraries, databases, museums, and other repositories of information and to exchange personal communication with other Internet users around the world.

With access to computers and other devices comes exposure to material that may not be of educational value or that is contrary to the vision for education at the school. VCS has taken available precautions to restrict access to controversial materials. However, on a global network, it is impossible to control all materials, especially as students may have access to the Internet through their own devices. While the purposes of the school are to use Internet resources for constructive educational goals, students may find ways to access other materials. We believe that the valuable information and interaction available on this worldwide network outweighs the possibility that users may procure material that is not consistent with our educational goals.

Vernon Christian School is registered under Google Workspace. VCS offers Student Google accounts with restrictions.

- K-7 cannot send or receive email outside of a @vcs.ca address
- K-7 cannot login to YouTube using a @vcs.ca user account
- K-12 Firewall filters block categorized inappropriate websites

The Google agreement with Vernon Christian School provides access to Google applications and storage. The core functionality includes Gmail, Drive, Classroom, and Calendar. There are additional Google Services that we use as well, including: Maps, Web Store (for extensions), Earth, Groups, Photos, Translate, and YouTube for ages 13+. While Google hosts these services off-site, VCS maintains the ability to manage users, groups, and settings, much like other locally hosted systems. This means that VCS can grant and remove user access and control other settings to ensure a safe and secure collaboration environment for students and teachers.

The terms of the Google contract with Vernon Christian School mandate that we must have parental permission for the use of Google Workspace Applications. VCS will require parental permission on an annual basis for K-12 students.

Google does not request any personal information from students and VCS does not provide personal student data (i.e., birthdate, address, phone number, grades, test scores) to Google. Personal information resides in VCS' student information system (MySchool) and is neither stored by nor available to Google.

At VCS we use Google Workspace for the following primary reasons:

- To provide students with access to current technology applications and free tools designed for collaboration with other students and teachers
- To give students the ability to work on their documents both in school and at home - anytime and anywhere from any Internet connected device

- To help students work collaboratively, engage in peer-editing of documents, and publishing
- To facilitate “paperless” transfer of work between students and teachers
- To provide adequate long-term storage space for student work
- To maximize cost savings in terms of software licensing and document storage

Students under the age of 18 are required to have parental authorization for Google use.

Google Privacy & Terms

All students K-Gr. 12 are held responsible for appropriate behaviour on the school's computer network and on their own devices just as they are in a classroom or on the sports fields.

Communication using information technology is often public in nature. General school rules for behaviour and communications apply, and it is expected that users will comply with the school's standards and the specific rules set forth below. This also applies to lunch hours and other breaks where students may be using school or personal devices.

The staff and administration of VCS reserve the right to revoke or restrict the use of personal devices and the network. The user is personally responsible for his/her actions in accessing and utilizing the school's computer resources.

Guidelines for acceptable use of network privileges

Staff and students using information technology are representing the school. They are responsible for ensuring that the Internet is used in an effective, ethical, and lawful manner.

Examples of acceptable use are:

- using Web browsers to obtain information from Web sites
- using e-mail in an appropriate manner
- using personal folders (password protected) to store work
- using the network and Internet in a manner which respects the rights and property of others
- keeping all accounts and passwords confidential and inaccessible to others
- showing responsibility by making backup copies of material critical to you
- showing responsibility by taking precautions to prevent viruses on the school's equipment
- upon receipt of an attachment checking to making sure it is from a known source
- backing out of an accidentally encountered site that contains materials that violate the rules of acceptable use, and notifying a teacher or supervising adult of the occurrence immediately
- using devices outside of class time in a manner that is socially acceptable, encourages community, and is not disruptive

Examples of unacceptable use are:

- use of the Internet for purposes that are illegal, unethical, harmful to the school, or non-productive
- conducting personal business using school resources
- viewing or transmitting any content that is offensive, harassing, or fraudulent
- using programs that harass school users or infiltrating a computing system and/or damaging the software components
- doing harm to computers, personal devices, the network, or other people or their work.
- interfering with the operation of the network by installing illegal software, shareware, or freeware
- plagiarism and violation of copyright laws
- wasting limited resources such as disk space or printing capacity
- trespassing in another's folders, work, or files
- giving out personal information such as your home address, telephone number, email passwords, or passwords to your network filter
- downloading material from the Internet without specific authorization from the Network Administrator
- accessing sites that contain pornography; that spread hatred; that promote discrimination; that give instruction for acts of terrorism, harassment, murder, suicide, or other illegal activity
- using earbuds without the express consent of a staff member
- using hand-held devices in the classroom without the consent of a staff member
- using any device in chapel or assembly without the consent of a staff member; and using devices outside of class time in a manner that is antisocial and disruptive in nature

Monitoring

All messages created, sent, or retrieved over the Internet are the property of Vernon School and may be regarded as public information. Vernon Christian School reserves the right to access the contents of any messages sent over its facilities if the school believes, in its sole judgement, that it has a need to do so.

All communications, including text and images, can be disclosed to law enforcement or other third parties without prior consent of the sender or the receiver. A good rule of thumb is, "don't put anything into online communications that you wouldn't want to see on the front page of the newspaper or be required to explain in a court of law."

Use of Technology During Non-Class Time

VCS encourages the responsible use of technology outside of the classroom. School is a time for genuine interaction with classmates and teachers, and technology should not interfere with this. Our goal as a school is to assist students to use technology in a manner that is socially acceptable, thoughtful, and encourages a sense of community and genuine communication.

Violations

Violations of these guidelines may result in disciplinary action in accordance with regular school policy. The disciplinary action will consider the type and severity of the violation, whether it causes any liability or loss to the school, and/or whether the action is a repeat violation.

Upon entry into the school community, all students and staff will provide the school administration with a signed copy of this agreement, thereby indicating their commitment to the standards it expresses.

Bring Your Own Device (BYOD) Program

Section 1: Student Expectations for Personal Device Use

Getting your Device Ready for School

Charging

- Bring your device to school every day.
- Charge your device each night so your device is fully charged and ready for use.
- Bring your power cord with you to school each day or have an extra power cord that you can leave at school.

Screensavers, Backgrounds and other device personalization

- Personalise your devices in school appropriate and God-honoring ways.
- Device personalization must not violate VCS guidelines.

Device Bag, Backpack, Sleeve

- Bring your device to school in a bag, backpack or sleeve.
-

Labelling

- Label your device and power cord with your first and last name.
- Attach something unique, like a luggage tag, to your device bag, backpack or sleeve to prevent another student from taking it by mistake.

Anti-Virus Software for Computer

- Install virus protection software that automatically downloads the latest updates on your computer. Keep this virus protection up to date.

Using Your Device at School

Protecting/Storage

- Keep your device with you or locked in your locker at all times.
- Be gentle with your device.
- You must keep your power cord neat and out of other people's way.
- Be careful when removing the power cord. Yanking it out of the device or the electrical outlet may cause damage.
- Do not wrap the cord tightly around itself where the ends can be pulled.
- You are the only person permitted to use your device at school.
- Keep your username and password private.
- Take your device home every day.
- Always carry your laptop with two hands and with the lid closed.
- Protect your device when moving between classes or anywhere else.
- Do not place an excessive amount of additional objects (i.e. folders, textbooks) in your bag/sleeve with the device. Excessive objects can place too much pressure and/or weight on the device screen or hinges in the case of laptops.
- Be cautious about leaving the device unattended anywhere that there is a chance it could easily be knocked onto the floor, sat on or stepped on.
- Clean the screen with a lint-free cloth. No liquids of any kind including water.
- Food or drink should not be placed near the device.

General Use at School

- You are expected to bring your device to school every day.
- Always save your files to two locations when possible (unless using the Google environment).
- Troubleshooting device issues is your responsibility and should be done at appropriate times. However, if you need assistance please ask for help.
- Mute your device sound at all times unless your teacher gives you permission otherwise. Bring earphones for use when audio is required.
- When using your device at school you must abide by the VCS guidelines.
- To save battery life, shut down your laptop when transporting it to and from school or if it is not being used for an hour or more.

Expectations and Consequences

We recognize that digital devices are valuable resources for learning; however, we are also aware that students should be using devices at appropriate times, in appropriate places and in appropriate ways. Thus, we are establishing the following expectations:

Expectations

- Devices are to be placed in your backpack or locker unless being used for learning purposes

- Digital devices are not to be used without teacher permission; not all classes will require the use of your laptop at all times.
- Devices may only be used for learning activities during class time (see exception in the FAQ).
- At all times use of digital devices must adhere to school expectations.

Consequences

It is expected that all students will be following the expectations for computer use and using their devices in God-honouring ways. However, should this not be the case, you can expect that:

- Your teacher will collect your device and turn it into the office. The device will be returned after meeting with an administrator in the office.
- Misuse of the network or Internet may result in disciplinary action, including emails to parents and withdrawal of access privileges.

Section 2: Frequently Asked Questions for BYOD

When can I use my device at school?

- During all classes when permitted or requested by the classroom teacher.
- In the library during non-class time and only when there is staff supervision.

When am I NOT allowed to use my device at school?

- There will be times when your device is not required to complete work in the classroom. Therefore, if it is not required please keep it in your locker or backpack somewhere in the classroom where it won't be damaged.
- During emergency procedures.
- During non-instructional time (breaks and lunch time).

Can I print at school?

- Due to the adoption of the Google environment at VCS, students will not be allowed to print from their personal devices at school. Printing for projects should be planned ahead of time and be done at home. However, students with their own devices will still be able to log in to the school computers and print when necessary with teacher permission.

My device is not working. What should I do?

- Your computer should be up to date with all relevant operating system updates and anti-virus software.
- You are responsible for troubleshooting problems on your device. However, do not let computer issues get in the way of your learning. Ask your teacher for assistance promptly.
- Occasionally, the school's technology support teacher or System Administrator may be able to help, but you are not to expect immediate help.

What happens if my device is lost or damaged?

- You are responsible for your device at all times. If you give permission for someone else to use your device and it is damaged, you are still responsible.

Will I have a chance to charge my battery during the school day?

- It is your responsibility to come to school with your battery fully charged. If necessary, there will be a place in the classroom for you to charge your laptop. Ensure that your cord is out of the way to ensure safety for both your fellow students and your device.

Can teachers and other school staff look at my device?

- Students and parents should be aware that permitted items of technology are subject to search by school officials if the school has reasonable suspicion that evidence of a violation of the student code of conduct is present on the device.

How is my device connected to the network?

- You will be connecting to the school Wi-Fi and this access will be available throughout the school until the end of the year. Your device will have the same Internet safety filters applied to it as the school computers.

APPENDIX F – Child Protection Procedure Policy

All of us - families, communities and service providers share responsibility for the safety and well-being of our children. That means we must all work together and, if we suspect that child abuse or neglect is taking place, we must report it to a child welfare worker. Vernon Christian School community acknowledges that the primary responsibility for children's safety and well-being rests with their parents. Where a parent is unwilling or unable to care for a child or protect the child from harm, child welfare workers are authorised to intervene.

As teachers or staff, we have opportunities to speak with and observe children's behaviour and may notice changes in them over time. Our role therefore is to be aware of, and alert to, signs of child abuse or neglect. If any one of us has reason to suspect that a child has been, or is likely to be, at risk for abuse or neglect, we have a legal duty to report our concern to a child welfare worker. If a student is in immediate danger, we need to call the police first. Due to our situation in a school setting we have a very important role to play in responding to child abuse or neglect.

The Principal of each Campus will review this policy on an annual basis with teachers and non-teaching staff. The review will include the looking at *The BC Handbook for Action on Child Abuse and Neglect* as well as *Supporting Our students: A guide for Independent School Personnel responding to Child Abuse*, a publication of the Independent School Branch.

Staff in-service and Education plan

Staff will review the School's Child Protection Policy at a Principal led workshop to be held during the first week staff is back to school before school begins. The workshop will include the following:

- examining answering any questions staff may have in regard to the school policy and "*Supporting Our Students: A Guide for Independent School Personnel Responding to Child Abuse*" and answering any questions staff may have.
- leading a discussion of "*The BC Handbook for Action on Child Abuse and Neglect*" and the Campus Principal ensuring that each classroom and office has copy of it in an accessible location.

The Campus Principal will, at the time of hiring, inform any staff member who joins the staff partway through the year of the school policy.

Duty to Report: Any person with reason to believe that a child needs protection has a duty to report directly to a child welfare worker. Informing another person (e.g., a colleague or the principal) does not discharge your legal duty to report directly to a child welfare worker.

Protocol for Reporting Child Abuse or Neglect

1. If a person has reasonable grounds to believe a child is the victim of abuse or neglect, they should immediately report the matter, in detail, to the Campus Principal or designate. On receiving a report of child abuse or neglect the Campus Principal will:
 - Affirm the reporter and take the responsibility of notifying the Ministry of Children and Family Development (MCFD) of the incident by calling 250-558-2700. The Campus Principal's report to MCFD shall include the following:
 - i. informing the MCFD who reported and ascertaining if that person must also call MCFD;
 - ii. explaining the situation in detail and provide MCFD all relevant information;
 - iii. inquiring, in the case of an Aboriginal child, if there is a Delegated Aboriginal Child and Family Services Agency in the area that needs to be notified;
 - iv. inquiring as to whether the police need to be informed of the matter;
 - v. Notify the School Board Chairperson on the day of reporting to the MCFD the circumstances of the incident.
 - vi. Co-operate with the authorities in any investigation of child abuse or neglect subject to the Vernon Christian School Privacy Policy.
2. It is the reporter's responsibility to ensure that the Principal has reported the incident to MCFD.
3. The Vernon Christian School has no jurisdiction in regard to investigating matter of child abuse and neglect.
4. The Vernon Christian School should not contact the parents or guardians of the child or the alleged offender unless given leave to by the investigating social worker or police officer. If given, the Campus Principal may contact these persons to provide support and assistance.
5. If representatives of MCFD come to the school as part of their investigation, proper identification must be presented before speaking to a student will be permitted. School personnel will request to be present during any interview with the student.
6. The school should also cooperate with the authorities in any intervention that takes place. The school will make itself available to provide support and assistance to the child, parents or the alleged offender and to direct these persons to a school counsellor or other services within the Christian community.

It is expected that the campus principal will provide all relevant information to the investigating social worker and/or police officer when reporting a matter subject to the Vernon Christian School Privacy Policy. Aside from this, all information obtained by educators about child abuse and neglect cases, oral and written, is confidential and will only be disclosed to

those persons with a legal mandate to investigate the abuse, or to the person or persons who the investigators allow it to be disclosed to.

APPENDIX G – Assessment Guideline Policy

GRADING AND REPORTING

1. We believe that the purpose of grading is to communicate an accurate evaluation of a student's ability to meet the learning outcomes of each course/subject. Therefore, student progress will be reported in two **separate** ways:
 - a. *Grades*: a percentage and/or letter-grade, which is a measurement of academic achievement (what a student knows and is able to do)
 - b. *Behaviour*: descriptions of the characteristics, actions, and work habits that support achievement

2. In order to assign accurate grades, which support learning and encourage student success, teachers should follow these guidelines:
 - a. Individual achievement of learning outcomes should be the only basis for grades. Other student characteristics such as effort, attitude, behaviour, work habits, late completion of assignments, absences, etc., should not be factored into grades, but should be treated as behavioural issues, and should be addressed and/or reported separately.
 - b. Grades should only include summative assessments (assessments OF learning), while formative assessments (assessments FOR learning - practice) are marked and recorded, and/or given feedback only to support the learning process and are not included in grades.
 - c. Grades should always be assigned in reference to specified achievement targets, comparing students' performance against a standard or rubric, rather than against other students in the class (on a curve).
 - d. Grade calculation procedures should be carefully considered, to ensure that the grade each student receives is an accurate and up-to-date measurement of what he/she knows and can do:
Examples:
 - i. emphasizing the most recent summative assessment information
 - ii. basing grades on a "body of evidence" (using the most consistent level of achievement rather than always using the average)
 - iii. exercising professional judgement (discerning and determining, rather than just "calculating" grades)
 - iv. not assigning 0's for missing assessment evidence, but using alternatives such as "1" (incomplete)

- e. Grades should be based on quality assessment methods with evidence properly recorded
 - i. summative and formative assessments should be recorded separately
 - ii. tests, quizzes, projects, etc. should meet the standards for quality assessment (clear targets, clear purpose, appropriate target-method match, appropriate sampling, and avoidance of bias or distortion)
 - f. Students should be provided with a variety of opportunities to demonstrate mastery of learning outcomes, including opportunities to be reassessed to reflect re-taught/re-learned content. Teachers will determine areas where reassessment is possible, and inform students of the conditions that apply (examples: requiring students to make test corrections or provide study notes as evidence of new learning)
 - g. Students should be active participants in the assessment and grading process to ensure that they understand how their grades will be determined, and so that they can communicate meaningfully about their own achievement and progress.
3. Non-completion of essential tasks:
- Some tasks are essential for evidence of learning and must be completed for students to meet the requirements of a course or subject.
 - If such a task has not been completed before the end of a grading period, an “I” (Incomplete/In-progress) will be used on the report card to indicate that course requirements have not been met, and therefore course credits have not been earned. All I’s assigned by teachers will be accompanied with an action plan and timeline.
4. Communicating about student progress:
- We believe that partnership between the school and the home is vital in the growth and education of each student, and therefore recognize the schools’ responsibility to keep parents informed about student progress. Parents can expect timely, understandable, meaningful information about student progress, including work habits, behaviour, and academic achievement.
 - Teachers may use a variety of methods to communicate information about student progress:
 - Parent/teacher conferences
 - Report card grades and comments
 - Formal or informal interim reports which may take a number of forms: mark-book printouts, anecdotal updates or narrative descriptions (letter/email/phone/face-to-face), checklists, or portfolios of various kinds.
 - Test/quiz/project assessment results sent home with students or communicated by email/phone

- Teachers will communicate learning expectations and assessment criteria to students in clear, easily understandable language, indicating how summative assessments will be calculated into course grades. Teachers shall discuss classroom assessment practices with students at the beginning of instruction.

APPENDIX H – Class Size & Composition Guidelines Policy

	CLASS SIZE & COMPOSITION GUIDELINES POLICY	Date Passed: June 4, 2018
---	---	--------------------------------------

Note: Based on a summary of requirements from the BC Public School Employers' Association [LOU Memorandum of Agreement Implementation Guide](#) (April 2017)

Class Size Guidelines

Grade	VCS	MoA Agreement	School Act limits
Kindergarten	20	20	22
1-3	22	22	24
4-12	24-30	24-30	30

Exceptions to the class size guidelines listed above:

- a class conducted by means of distributed learning
- a class that is part of an alternate program
- a class that meets for the purpose of a work student or work experience program
- a music class (e.g. band, choir, instrumental music and orchestra)
- a performing arts class (e.g. drama and dance)
- a Planning 10 class
- a Board Authorized leadership course

Some classes have lower class sizes than the grade-specific limitations:

- Secondary English
- Home Economics; Tech-Ed
- Lab courses (usually 24)
- Limitations of the assigned classroom/learning space should be taken into consideration
- Note: multi-grade classes will follow guidelines for the lowest grade level included

When class sizes exceed recommendations, the teacher will be provided with additional support as deemed appropriate by Administration in consultation with the affected teacher and the Education Committee. Examples include:

- Additional support staff assigned to work in the class (EA, Counsellor, Librarian, etc.)

- Additional teaching staff to co-teach with the affected teacher (may include LAT, SERT, Admin. etc.)
- Additional preparation time for the affected teacher
- Other supports that the Principal and teacher agree would be appropriate

Class Composition considerations:

Class composition analysis is intended to provide relevant data about how student needs will affect the learning environment of a class as well as the teacher's workload. This data is used to assist administration in determining class size, assigning students to classes, supporting teachers, and allocating support resources. While quantifying student needs is a complex and subjective task, it is believed that reviewing students on the basis of the following categories can be helpful in approximating the workload associated with supporting students with special learning needs:

- Low incidence SE categories A-H with IEP
- High incidence SE categories K, P, Q, R with IEP
- Students without a SE category but with an IEP or Student Support Plan
- Students who are English language learners and have an Annual Instructional Plan

Along with composition analysis on the basis of the categories above, further considerations should be made where the following factors exist:

- Compelling family issues
- Sibling attendance at the same school
- The age of the affected student(s)
- Distance to be travelled and/or available transportation
- Safety of the student(s)
- Needs and abilities of individual student(s)
- Accessibility to special programs and services
- Anticipated student attrition
- Time of year
- Physical space limitations
- Teacher recruitment challenges

APPENDIX I – Appeals Policy

 The logo for Vernon Christian School, featuring a shield with a cross, the text "VERNON CHRISTIAN SCHOOL" at the top, and "EST. 1977" at the bottom.	APPEALS POLICY	DATE PASSED: JAN 4, 2021
--	-----------------------	-------------------------------------

PURPOSE

- To provide a clear, biblical approach and process for addressing the concerns and appeals of all students, parents, and community members.

PRINCIPLES

- VCS seeks integrity and consistency with respect to actions affecting members of the school community, informed by "[procedural fairness - best practice guidelines for Independent Schools](#)."
- Christians are called upon to resolve disagreements amongst themselves and to live in harmony with one another (Romans 12:16).
- We should seek to resolve issues directly with the people involved and without delay, through discussion, cooperation and conciliation. The aim is to reach an acceptable resolution which maintains and restores healthy relationships.
- Concerns should only be referred to a higher authority if attempts to resolve the issue with those directly involved are not successful.
- Misunderstanding and even conflict is to be expected. Having concerns or appeals brought forward in a spirit of humility and respect helps to build a healthy school community. Therefore, no individual should face retaliation as a result of doing so.
- Concerns and appeals should be treated seriously and sensitively, with due regard for confidentiality and privacy.
- VCS supports a [restorative justice](#) model for conflict resolution.
- Key Bible passages for reference:
 - Matthew 18: 15-16
 - Ephesians 4:15-16
 - Matthew 5:23-25

PROCEDURES

Any time a student, parent or other community member wishes to address a concern with the school, a staff member, or a volunteer, or would like to appeal a decision, the following process should be followed:

Order of communication steps:

1. Contact the individual with whom you have a concern, or who is responsible for the decision.

2. If unresolved, contact the most relevant member of the administration team: campus vice-principal, director of development, business administrator, educational support services coordinator, or principal (copy to the individual already involved).
3. If unresolved, contact the principal (copy to any administrator already involved)
4. If unresolved, contact the VCS Board, via the Chairperson (copy to principal)
5. If unresolved, contact SCSBC Ombudsperson (scsbc.ca)

Notes:

- Bring all concerns directly to the person/people involved to seek mutual understanding and resolution. If a face-to-face meeting feels too difficult, a letter or email can be written, and/or the individual with a concern may seek the support of a parent or advocate.
- If the matter is not successfully resolved after being addressed with those directly involved, the community member should take the next communication step for further support in reaching a resolution, with a copy to those already involved.
- If the person submitting a concern or appeal has not taken the steps outlined above, they will be required to do so before proceeding.

- **If any individual has reason to believe that school staff or volunteers have been involved in illegal activity, contact the proper authority directly (principal, board chair, or police)**

APPENDIX J - Planned Extended Student Absence

AGREEMENT FOR PLANNED EXTENDED STUDENT ABSENCE

In partnership with families, VCS desires to provide structure and support when events, opportunities, and particular needs arise. It is always our desire to have our students physically present in our VCS community. However, in partnership with families, it is also our desire to provide structure and support when an extended absence is necessary.

The goal of this form is to establish a clear understanding of expectations regarding communication between teachers and students and to ensure consistency, continuity, and success in student learning. We will partner and work diligently to support our students, but please note that any extended absence will mean a student's exposure to class discussion, instruction, connective practices and other educational intangibles will be impacted.

In the event that a student has made plans to be absent from classes for more than **3 regular school days**, the following form is required to be completed by the student and submitted to the SC office prior to the departure date.

APPENDIX K - Cell Phone Policy

In our effort to deliver a relevant, future-focused and engaging educational program, we are committed to providing and supporting the use of web-based computer technology. We are also committed to providing explicit instruction on how to use such technology ethically and responsibly from a Biblical perspective, including cell phones. Our school community is best served by limiting the use of and access to cell phones throughout the school day, as they present distractions and obstacles to the kind of engaged learning and connected, Christ-centered community we desire for our student body.

The following limitations are in place:

1. Grades 7-10

- Students may bring personal handheld devices (cell phones, game consoles, and other mobile devices) to school for use before and/or after school.
- Personal devices must be turned off and stored in lockers or bags, out of access during school hours. Students may not use personal handheld devices for any reason during the school day, including breaks and school-related trips.

2. Grades 11-12

- Students may bring personal handheld devices (cell phones, game consoles, and other mobile devices) to school for use before and/or after school, and during non-instructional breaks (in recognition that mobile devices serve as a tool to support the increased responsibility level of senior students).
- Devices must be turned off and stored in lockers or bags, out of access during instructional time.

Note: Smartwatches:

- Students are allowed to wear smartwatches with the expectation that they will not be used in an irresponsible manner nor be a distraction in the classroom.

3. Administration may permit exceptions or adaptations to the expectations above on a case-by-case basis. Examples include:

- recommendation by staff to support the diverse educational or personal needs of individual students
- upon request due to exceptional personal or family circumstances
- for specific school trips and educational activities

4. Consequences:

- A violation of these expectations may result in a phone being taken from a student to be held in the office until the end of the school day. After the 3rd violation, a parent/guardian may be asked to retrieve the phone from the office.

5. VCS assumes no responsibility for loss, damage or theft of student devices.
