Region:	Okanagan, BC
School/Organization:	Vernon Christian School
Employment Type:	Full-time
Compensation Range:	\$55,000 - \$97,000
Date Posted:	January 12, 2026
Closing Date:	until filled
Start Date:	August 1, 2026

## About Vernon Christian School

VCS is a non-denominational Christian School located in the Okanagan Valley of BC's interior. We are a growing, thriving, Christ-centered learning community with 475 students in a two-campus, Preschool - Gr.12 program. Please view our school website for more info: [vcs.ca](https://vcs.ca)

## Description

VCS is seeking a visionary individual to continue developing a comprehensive and innovative secondary ADST program, with a focus in grades 8-12.

- We have two well-established technology education shops: one fully equipped for woodworking, and one fully-equipped for automotive, metal work, power-technology, and trades exploration.
- We are willing to explore applicants with general ADST teaching experience, including areas such as Project-based learning, Maker-space, entrepreneurship & career education.

## Qualifications

- Committed follower of Jesus Christ with active church involvement
- BC Teaching Certificate (or eligibility for BC certification)
- Strong vision for Christian education
- Desire to work in a highly relational and collaborative staff and student learning community
- Experience with "Teaching for Transformation" practices would be an asset
- Applicants with trades/career-based training or experience are encouraged to apply.

## Applications

- Submit applications or inquiries to **Matt Driediger, Principal:** [mdriediger@vcs.ca](mailto:mdriediger@vcs.ca)
- Include: Cover Letter, Resume, Personal Statement of Faith, and Philosophy of Christian Education
- Note: Applications will be accepted until the position is filled. Only short-listed candidates will be contacted.
